

Engender
Equality

Family Violence Practitioner/Community Educator

About Engender Equality

Engender Equality (formerly SHE) is a state-wide not-for-profit organisation that supports people affected by family and domestic violence in Tasmania.

We work to end all family, domestic and intimate partner violence.

We see gender inequality as both the cause and the context of family violence.

We believe that only by actively challenging gender-based oppression can we achieve positive and respectful relationships within healthy, inclusive structures and institutions. This outcome will ultimately benefit the whole Tasmanian community.

We acknowledge that family violence is complex and that it includes a broad range of behaviours that are sometimes not recognised as violence. We also know that people are affected by violence in different ways. Due to multiple forms of oppression we commit to an intersectional and lifespan understanding of the impacts of family violence.

A dynamic, evolving organisation, Engender Equality's philosophies, practice and resources are based around lived experience and grounded in research. Our progressive approach, combined with three decades of skills, knowledge and hands-on involvement gives us an edge in the fight for gender equality in Tasmania.
